LETTER REGARDING PATENT TERM ADJUSTMENT

The Patent Term Adjustment (PTA) calculation included in the notice of allowance mailed July 25, 2008 for the above-referenced application indicates the PTA is 438 days. This PTA appears to be longer than appropriate. Applicants point to the Information Disclosure Statement received by the PTO on July 10, 2008. Applicants believe the PTA calculation from the date of said Information Disclosure statement forward to be in question in determining PTA.

Applicant believes that no fee is due at this time. Any fees that may be due, however, may be applied to Deposit Account No. 06-1050.

Respectfully submitted,

Date: September 22, 2008
